

Quality policy

Purpose

At Zelestra, we are on a mission to change the world by making decarbonization a reality. As a client-focused, multi-technology, global renewable energy company, Zelestra is committed to helping customers, communities, and stakeholders through tailored solutions, local employment, and strong sustainability. Zelestra is a vertically integrated company specializing in developing, constructing, commercializing, and operating large-scale renewable energy projects. To this end it formalizes this quality policy, which is part of its General Sustainability Policy and reinforces its commitment to comply with all the requirements of our clients, as well as with the continuous improvement of the quality management system.

Basic Principles

This Policy is based on the following basic principles:

- **Compliance:** Meeting all the requirements requested by the clients, as well as the applicable legal and regulatory requirements and those that we have subscribed to, in all the countries where Zelestra develops its activity.
- **Quality Management:** Guaranteeing our clients Service and Quality, through the establishment of efficient processes and with the provision of all the necessary resources for the adequate implementation of a Management System based on continuous improvement and the clear establishment of quantifiable objectives in this regard.
- **Quality of Service:** Incorporating the most innovative techniques and components on the market and guaranteeing compliance with all the requirements established in the projects, with a focus on efficiency and profitability.
- **People:** Making our team's professionalism, experience and know-how available to our clients and our services.
- **Permanent Communication:** Generating continuous and transparent communication with our clients, subcontractors, suppliers, and other interested parties.
- **Excellence:** Ensuring that quality and continuous improvement are basic pillars of Zelestra's culture.

Monitoring system

The approval of the Quality Policy is the responsibility of the Board of Directors of Zelestra, which, either directly or through a committee appointed for this purpose, will supervise it, ensure compliance with it and periodically review it for its continuous adaptation.

The Company will establish an internal monitoring system that allows the correct implementation of the Policy at all organizational levels.

Communication and stakeholder engagement

This Policy is communicated and understood within Zelestra and is available on the information and communication channels that the Company makes available to all its stakeholders.

This Policy is publicly available on the Zelestra website.

In order to make it easier for any person to confidentially and anonymously report any breach of the principles described in this Policy, Zelestra's Ethics Line (<https://zelestra.integrityline.com/>) guarantees independence, impartiality and the absence of conflicts of interest throughout the process of receiving, processing and resolving such reports.

Scope

This Policy applies to all the companies of the Zelestra Group, to ZELESTRA CORPORACIÓN, S.A.U., and to those companies in which a majority of the shares, equity interests or voting rights are held, directly or indirectly, or in whose governing or administrative body it has appointed or has the power to appoint a majority of its members, such that it effectively controls the company. In those investees in which the companies of the Zelestra Group do not have effective control, Zelestra shall promote principles and guidelines consistent with those set forth in this Policy.
